DAS ESSZIMMER – space for art+ takes over the WELTRAUM (engl.: Outer Space), <http://www.weltraum.me> of STOECKERSELIG® (<http://www.stoeckerselig.ch>) during ART BASEL and invites you to our OFF-Space Lounge, with drinks, food, Art and more...

The WELTRAUM transforms for 3 day and nights into a Pop-Up Gallery of selected artist's from Basel, Switzerland, Europe and the rest of the world. They have been invited to present drawings, paintings, collages, photo and video works, which will be assembled to a Gesamtkunstwerk of a self-curated Wall, Video Installation as well as 3 video programs, one for each day/night.

Parallel to Art Basel WELTRAUM (<http://www.weltraum.me>) becomes a place for exchange and transforms into the Headquarter for OFF-Space Projects. Together with Marina Gärtner, the founder of SPACES GUIDE for Germany (<http://www.spaces-guide.de>), the makers of ZURICH ART SPACE GUIDE (<http://www.artspaceguide.ch>) as well as the initiative from Basle A ROLAND FOR AN OLIVER (<http://www.arolandforanoliver.ch>) we invite you to the OFF-Space Lounge with Bar, Food, Video Program and unplanned events.

For the artist's we provide a platform for exchange and networking and for the visitors it is a once in a lifetime chance to see art works before they will be seen at Art Basel in the future.
